About Yahoo! Maktoob

Yahoo! is the premier digital media company, creating deeply personal digital experiences that keep more than half a billion people connected to what matters most to them, across devices and around the globe. In November 2009, Yahoo! acquired Maktoob—the Middle East's leading online community portal. Yahoo! Maktoob provides millions of users in the Middle East with locally relevant content on the Internet in English and Arabic, combined with the best tools and services from Yahoo! properties.

About Yahoo!'s Business & Human Rights Program

Yahoo! is committed to leading in the efforts to protect and promote free expression and privacy on the Internet. In May 2008, we launched the Yahoo!
